

How To Read Your Account Summary

When there is a balance on the account, this box will appear.

What each category dollar amount includes:

- You Owe (See Example 1)
 - This is a total of ALL charges that have not yet been paid.
 - This amount includes charges that are due now (includes past due and due in the future).
- Due Now (See Example 2)
 - This is the total of all charges due within the next 14 days, including any past due balances.
- Future Due (See Example 2)
 - This is the total of all charges with a due date of more that 14 days from the current date.
- ****You have a past due balance of 000.00.**** (See Example 2)
 - If there is a past due amount on the account, this line will appear in the box to show the exact amount of the Due Now total that is past due.

Example 1

The screenshot shows a user interface for 'Finances'. On the left, there are links for 'My Account' (Account Inquiry) and 'Financial Aid' (View Financial Aid). Below these is a dropdown menu with 'other financial...' and a right arrow button. On the right, a box titled 'Account Summary' displays the following information:

You owe 18,925.00.	
▪ Due Now	0.00
▪ Future Due	18,925.00

Below the table, it states 'Currency used is US Dollar.'

This account is current and does not owe anything in the next 13 days. However, there are charges of \$18,925.00 on the account that will be due 14 or more days in the future.

Example 2

The screenshot shows a web interface for financial management. At the top, there is a blue header bar with a downward-pointing triangle and the text "Finances". Below this, on the left side, there are two sections: "My Account" with a link "Account Inquiry" and "Financial Aid" with a link "View Financial Aid". Below these links is a dropdown menu with the text "other financial..." and a right-pointing arrow icon. On the right side, there is a box titled "Account Summary". Inside this box, it states "You owe 5,362.95." followed by a list: "Due Now 572.95" and "Future Due 4,790.00". Below the list, it says "** You have a past due balance of 572.80. **". At the bottom of the box, it says "Currency used is US Dollar."

Account Summary	
You owe 5,362.95.	
▪ Due Now	572.95
▪ Future Due	4,790.00
** You have a past due balance of 572.80. **	
Currency used is US Dollar.	

This account has an amount past due of \$572.80 and an amount due within 14 days of \$0.15. Therefore, the Due Now amount totals \$572.95 (\$572.80 + \$0.15). There are also charges on the account of \$4,790.00 that will be due 14 or more days in the future.

*For further detail about your charges, use the links in the drop down menu ("OTHER FINANCIAL").
