

Housing is often a concern in preparation to attend any university. Consequently, we provide the following information to familiarize you with Malibu, its surrounding areas, and different housing options. Should you have any specific questions after reviewing this material, please feel free to contact our office directly at (310) 506-7493.

Graduate students may reside in private housing or in University apartments on campus. Graduate students should also keep in mind the length of the lease agreement depending on the location of the summer internship that will be completed. **Typically, a nine-month lease is recommended.**

Graduate student on-campus housing is offered through the Housing and Residence Life Office. Specific questions about housing can be directed to that office at (310) 506-7586.

On-Campus Graduate Student Housing

The Drescher Graduate Residential Complex is reserved expressly for graduate students. Apartments are fully furnished and include all utilities, basic cable, and phone service. Also, each room is wired for internet access and other on-line University databases. Visit the Residential Life website at: <http://community.pepperdine.edu/housing/> to take a "virtual tour" and/or reserve your room.

Spaces are limited and assigned on a first-come, first-served basis. Apartments usually house four students. Each student has a single occupancy bedroom. Each unit contains four bedrooms, one bathroom, a living/dining area and a kitchen.

Costs for the 2014-2015 academic year are as follows (Utilities and telephone included):

Check-in for Graduate students is August 2014. Specific date TBA.
Single \$ 6825 per semester

Arrangements for married housing check-in should be made with the housing office.

**Married \$10,000 Fall (August-December)
 \$8,000 Spring (January-April)
 \$6,000 Summer (May-July)**

We recommend that you submit your housing contract on-line and make your \$500 prepayment via WaveNet. The nonrefundable deposit applies to your room charges upon enrollment.
